

Have Confidence With IDH

Integrated Dental Holdings (IDH) UK's leading dental corporate, with over 250 practices nationwide is dedicated to delivering the highest quality dental care.

Dentistry is a competitive market and IDH offer numerous opportunities to dental professionals wanting to excel in their profession. With exciting career opportunities in an established corporate structure, IDH shares standards, clinical excellence and training with the 1500 professionals working with in the group .

IDH provides outstanding service within their communities. The group help their practices maximise their full potential and assist in the design and development of the whole dental team.

IDH is passionate about patient care and ensures all their patients receive the highest service and treatment across the UK.

IDH Dental professionals are confident that there is no other Dental Group working harder than IDH to ensure the future of UK dentistry.
